HOME.

[Suggested by a Journal, published by a school mate, in my native town.] BY SARAH J. C. WHITTLESEY

There's a breath of the presence of dear old days In its delicate folds; And I am sitting again in the glimmering haze, Where Roanoke rolls At the feet of childhood, far down the dim years

And hear the sweet songs That came o'er the waters, unhinting of tears— Of heartaches and wrongs. The great shadow lies on the banks of that stream, In childhood's May-mead, For the spoiler hath stolen the gold of its gleam,

In his prowlings and greed The great shadow lies o'er the disk of the days, And deepens the night,
But God, the omnipotent, reigns o'er its ways,
And soon will the right! How many have gone to the cradle of dreams,

In the grave-yard's hush, [stream-Since I watched the sun-sparkles on Roanoke's Gone! gone in youth's flush! I ask for the maiden that wandered with me, By that old river's side, [bingly, And through the pale shadows comes back sob-The answer: "she died!"

The bright boy lover of school-girl days, With incipient pride

Of embryo manhood. I call, down the ways—
They say: "and he died!"
How lonely I'd feel to go Home, now, and stand ftive land, By Roanoke's dark waves, [tive land, With the great shadow shrouding that dear na-And loved ones in their graves!

STROLOGY. THE WORLD ASTONISHED At the wonderful revelations made by the Great Astrologist. MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of re-lations and friends, loss of money, &c., have be-come despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursne, and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament-the mal fic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furpished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address, ap 10 ly P. O Drawer 293, Buffalo, N. Y.
